Enlightenment through Education

Ref. No. 5/April

Date: 01/4/2024

Attention all Students,

please be informed that there has been a significant development regarding the career counselling and job placement initiatives at our institution. Tata Consultancy Services (TCS) has graciously agreed to conduct another round of interviews **on 17th April, 2024** for candidates who applied through the **Google Form** for the campus interview held on March 10, 2024.

However, this time the process will not take place at our college premises. Instead, candidates will undergo a screening test followed by an interview at the nearest TCS headquarter. Several students who missed the opportunity to participate in the campus interview have appealed to the Principal for another chance. Through some negotiations, the Internal Quality Assurance Cell (IQAC) have successfully persuaded the placement officers of TCS to organize the session.

This achievement underscores the developing relationship that our institution maintains with TCS officials. Students who wish to seize this unique opportunity are urged to promptly contact our placement cell. You can contact Prof. Jayati Bhattacharya (Ghosh) (Ph. 980302 32095) who is representing our institution in negotiations with TCS personnel.

It is worth mentioning that the IQAC and career counselling cell are poised to make history by redefining career opportunities for students of a general degree college, with the invaluable support of a global IT leader like TCS. We anticipate that the "TCS career" initiative will revolutionize opportunities for our students, particularly in terms of job placements.

Add on classes will be held specially for the TCS applicants on 2/4/24, 3/4/24, 5/4/24 and 6/4/24 at 2 pm. (prior information would be provided if any there is any change of time of these classes).

Coordinator
IQAC
